

Regina's Bay Bakery Wedding Cake Planning Guide and Tips!

PLANNING TIPS: Plan early and plan according to your budget. Regina's will require a non-refundable \$50 deposit that will be applied to the final payment of the cake. A deposit is required at least three months in advance to reserve the date. Your final payment is due two weeks prior to the event. Unless prior arrangements are made if the balance is not paid in full on the due date, a late fee or rush-order service charge may be applied.

FINDING INSPIRATION: Inspiration may be found in our portfolio or our idea book, your stationary, fabric, magazines or color swatches. Feel free to bring in any of these items so our decorators can help see your vision. Styles and ideas to think about and keep in mind when ordering a wedding cake:

WEDDING STYLE: MODERN, RUSTIC, WHIMSICAL, TRADITIONAL

SEASON: WINTER, SPRING, SUMMER, OR FALL

MOTIF: COLOR, FABRIC, FRUIT, OR FLOWERS

By knowing the styles and how they can be integrated in to your wedding and your individual style, you will allow our decorator to create your personalized, custom masterpiece.

PRICING: Cakes are priced per-person, per-slice. Prices range from a few dollars up to ten dollars a serving also known as our designer series custom cakes. A simple cake will be relatively inexpensive; a more decorative cake requiring elaborate design and decorations will fall under the designer series price range. The size of the cake, the cake type, and numbers of fillings and frostings determine the cost of a wedding cake. **An estimate may be given during a cake tasting, but is subject to change. All prices are determined by the decorator at the final appointment.** Extra fondant or gum-paste handmade flourishes may be billed out individually.

RESPONSIBILITY OF THE BRIDE AND GROOM: The Bride and Groom are responsible for providing extra flourishes to some cake designs. For example ribbons, silk flowers, beads, toppers, or fresh flower. Due to health, sanitation requirements, and limited storage space, the bakery is unable to accept fresh flowers and ornamental cake toppers. These items should be at the reception hall on the day of delivery. If you will be adding ribbon to your cake design, please provide a weather-proof polypropylene ribbon to ensure the best results. In the event that this particular type of ribbon is not provided, the outcome of the design will not be guaranteed. All silk flowers and beads dropped off to the bakery must have the last name of the bride and groom, date and location clearly marked on each bag.

ANNIVERSARY CAKE: The top tier or anniversary cake is not included in the serving count. Please inform the caterer if you wish to cut or save this particular cake. If you choose to serve the top tier of you cake, we will recreate a 6 inch anniversary cake. The cake will be complementary if you bring a professional photograph of your cake for our portfolio.

Please note when you sign a contract with Regina's Bay Bakery it is the responsibility of the bride and groom to understand all the information provided on this sheet. If you are unsure of the information or have questions please ask.
